Bro. Brian Burns visiting with the officers of Unanimity Lodge #418, in Hilton Head Island, SC

Hello Brethren,
I hope this finds you well.

At Grand Lodge we learned a new Masonic word, "Yahoo." No, it's not some fun acronym.

It's to remind us to have fun with our Masonry. I think that is a good idea for all of us to remember. We will be raising four fellowcrafts to the Third Degree of Masonry at our February 3rd stated communication.

Remember how impressive it was when you saw all of your brothers standing in front of you giving the due guard and sign of a Master Mason. Please come out and help impress our newly made brothers and show our lodge's brotherly love.

During the founding of our country one in every 10 men were Masons. Now we're lucky if it's one and every 50 men. If we want Masonry to continue, we must take a few minutes out of our busy schedules and give our time to what is truly important. A great man once said to solve any problem you must be part of the solution.

Brotherly love,
WM Harry A. Clark
