## Master's Message

By my measure 2021 was another momentous year for Masonry and I would like to thank all the outgoing master's and officers for their efforts and welcome the new master's and the elected and appointed officers of their respective lodges. I am sure were all busy planning or activity calendars and settling into our new responsibilities.

Last month I was presented a trowel by **WB Lee Anderson** as a new lodge tradition whereby the outgoing Master will pass the trowel to the incoming Master. With the symbolic trowel we are taught to spread the cement of affection, kindness and the brotherly love which unites binds all the members of the Masonic family.

A quick thanks to **Greg Foster** for putting together the **All-Masonic Trestle Board** which has proved invaluable to me in keeping up to date all the masonic activities and current contacts for the valley's lodges including SR. And thanks to **WB William Marshall** for being the Installing Officer and **WB John Groves** as the Marshal at last month's Installation.

Meanwhile we are all looking forward to the **161st Grand Lodge Communication** in Denver and I hope to see you and all the western slope lodge brothers there.

**Glen Phelps**  
Worshipful Master
