Master's Message

March named for the Roman God Mars.

March brings warmer days and the vernal equinox whereby day and night are equal.

Equality as practiced in Masonry recognizes that a man may have greater potential, service, or reward than another but each man's worth and dignity are equal without regard to stations the Level can symbolize this.

That is what I love about Masonry, that I can make friendships with men from different occupations and professions that I might not otherwise meet.

Last month we enjoyed our Annual Sweetheart's lunch with a genuinely nice turnout.

Do not forget this month's St. Patrick's lunch on March 12th at 12:00 PM at the Fruita Lodge, all are invited.

Glen Phelps, Worshipful Master

2022Lodge Officers
