## Master's Message

I hope that those of you could attend Palisade Lodge on Saturday for the Grand Masters visit did so. I have some good news. The Grand Lodge of Colorado awarded the education Scholarship to one of the students who applied through our lodge. It was awarded to Davian Sandoval. He graduated from Central High School and will be attending the Colorado School of Mines. The Scholarship is for \$7,500.00 a year. He worked hard and it is well deserving. We will talk about awarding the Warren Bush scholarship to our remaining student who made application, at our next stated communication. Please mark your calendars for the fourth Friday of each month for our officer practice. For those of you who have Masonic education to present I would like to start that again. It is so rewarding to hear history. Looking forward to seeing each of you who can attend at our next communication.

## From the Secretaries Desk

Hello Brethren,

In lieu of our annual trip up to the Mesa for our Summer Lodge meeting we will be having dinner at Fiesta Guadalajara after lodge on Friday June 11th. Grand Junction Lodge #173 will pay for dinner for all lodge members. If you haven't come to lodge for a while join your brothers for dinner and fellowship. All area masons are welcome.

We still have a few people that haven't paid their dues for 2021. Please reach out to myself, Craig, or Lin to get caught up, or if you are unable to pay your dues.

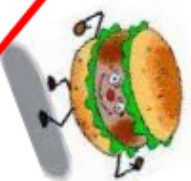

Gregory Foster—Secretary Grand Junction Lodge #173
