Master's Message

Brethren I hope this finds you well. I am very thankful for all of the hard work you have been putting into your parts. We had the privilege of listening to brother Nick present a historical education on aprons. Last month we heard from brother Chad about the goat. Both of these brothers are FC and I would like to thank them for there contributions. Next month I look forward to our joint communication with Fruita and our morning breakfast at the consistory, along with a historical apron presentation at our meeting.

From the Secretaries Desk

Hello Brethren, we have a lot planned for our next stated communication. On Saturday, April 3rd.

First, it will be a joint communication with Fruita Lodge #120. Palisade will host breakfast at the Consistory at 9AM, and the Joint Communication will follow at 10AM, also at the Consistory.

Secondly, during this Joint Communication it will be permissible to wear your old family, or historic aprons. For this meeting, and this meeting only we've been granted permission by the Grand Lodge of Colorado to wear something other than our plain white aprons. Everyone wearing a historic or family apron will have a chance to talk about the history of their apron if they wish to. So grab those old aprons sitting in your apron case, clean them up, and wear them to our Joint Communication with Fruita Lodge on Saturday, April 3rd.

Lastly, We have request an Official Visit from Most Worshipful Brother Mike Moore, our sitting Grand Master of Colorado. He will be in town on Saturday May 1st. So come out and see him

Masonic Event Center's 5 Star Rating

Until the current COVID-19 pandemic is over the Grand Valley Event Center (GVEC) will be requiring each renter group to adhere to applicable State and Mesa Country COVID-19 Orders, including **distancing**, **masking** and **sanitizing** requirements.

GVEC will supply sanitizing materials, post required notices at entrances and through out the building, and monitor compliance by periodic observation during events. As of November 24, 2020, GVEC is operating the facility under the Mesa County Variance Protection/5 Star Program. Renters will be required to comply with the following:

- Each renter will designate a responsible adult to monitor each person entering:
 - Is properly masked with a non-medical cloth face covering over the nose and mouth.
 - Is tested for fever with a supplied thermometer.
 - Does not appear to demonstrate dry cough, shortness of breath, difficulty breathing, fatigue, or a recent loss of taste or smell. Those persons so affected will be sent home.
 - Established seating and table spacing is enforced.
- Renters will ensure that the number of people attending their event is limited to no more than 50% of normal room capacity and that no more than 100 people are present in confined indoor spaces in the entire building.
- Established seating and table spacing will not altered and only the number of people for which seating is available will be admitted – no standing room space allowed.
- Renters will disinfect high-touch surfaces in rented areas as well as items shared between individuals. Single use rather than self-service equipment or utensils will be used.
- If alcohol is permitted, service must end no later than 10 pm.
